REVISION SHEET FOR AMENDMENT No. 2 TO THE RULES

Schedule publication date:		8.07.2022 r.

Rationale for the proposed amendments to the Rules: <p>The postponement of the initial date from which the Autumn Maintenance Downtime Period in Storage Facility may begin at the earliest, i.e. from 6.00 on September 1 at 6.00 on August 1 results from the fact that the Storage Facilities were filled by the Storage Facilities earlier than in the corresponding period of previous years (up to the level of approx. 97%) and is intended to enable earlier carrying out of the necessary geological and deposit measurements, service works and preparation of the Storage Facilities for withdrawal in the winter.</p> <p>The change to the Rules included in the Revision Sheet takes place on the basis of point 1.7.5. of the Rules.</p>
